Hackathons

Sprints

Seminars

Bootcamps & Projects

=

- **Products at pace**
- **Upskilled workforce**
- **Surge capacity**
- **Cultural shift**
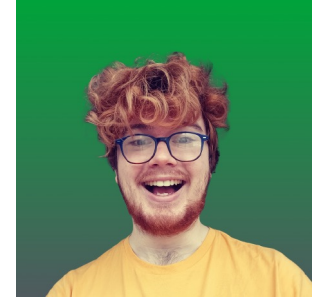

# Meet Your Facilitators

| Me (Eoin) | Andreas | Mallory | Harriet | Maya | Sam |

# Your Mission

Make the Civil Service more efficient and effective through the application of Generative AI

# To Help You Get There

# On Friday

**3 Minute** Presentation / Demo
**2 Minute** Q&A

<u>What they will score you on</u>

- Impact
- Innovation
- Leverage of Gen AI
- Ethical
- X Factor

# Road to Friday

## Today

Meet your team
Tool up
Pick your problem
Get to work

## Tomorrow

Build

|---|---|
| **Arrivals and Coffee** | 09:30-10:15 |
| **Opening Talks & Logistics** | 10:15-11:30 |
| **Team Lunch** | 11:30-12:30 |
| **Armoury - Get your Tools** | 12:30-13:30 |
| **Problem Statements, Ideation** | 13:30-15:15 |
| **Hacking** | UNTIL 6PM AT LATEST |

YOU ARE HERE

## Working Lunch

- Divide up armoury sessions between team
- Quick pre-read on your 3 problems
- Go to armoury
- Get briefed on your 3 problem statements
- Huddle and hack

# Hacking it Right!

- Nail day 1!
- **Co-create solutions**
- Hunt/Make/Find more data
- Plan ahead: there is **enough work for everyone**
- **Use your coding superhero!**

# What You'll Build

- **3 minutes of presentation, 2 minutes of questions!**

- **This is who we are, and this is what we built!**
- **This is our super-cool, live demo! (ish)**
- **This is why it's going to change everything!**

# The Right Tools for You

| Room 01 | Room 02 | Room 03 | Room 05 | Room 08 | Room 15 |
|---------|---------|---------|---------|---------|---------|
| Anthropic | OpenAI | Microsoft | Coefficient | Google | ONS |
| Claude and document searching | ChatGPT and function calls | Power Platform and Generative AI | Langchain and Open Source LLMs | Collab and Google Suite | Retrieval in action |

# Private Office & Secretariat

**The legendary ministerial red box & collective agreement**

# Legislation

**The passage of legislation through Parliament**

# Government Communications

**Understanding media coverage / public sentiment around major events so that we communicate effectively**
